

Allergen Statement

We do not bake in an allergen-free environment. While we do have select products that do not contain wheat or nuts, all of our products are baked in an environment where wheat, milk, peanuts, tree nuts, eggs and soy may be present in high volumes. Due to the presence of these allergens at both our dessert shop and mobile food trailer, we do not recommend consuming any of our desserts if you are allergic to wheat, nuts, dairy or eggs. It is your responsibility to advise of any allergies we need to be aware of at time of order.

We offer Gluten Free cakes upon special requests, as these are only available in limited flavors. Unfortunately, we do not make sugar free cakes at this time.

We do bake a small batch of eggless cakes available on a First Come, First Serve basis. However, Vegan cakes are not currently available.
